

Collaboration and activities with IUCN (International Union for Conservation of Nature)

The CDP PPN - DIST has been a member of the IUCN since 1996 (IUCN Member NG / 1493) and some members of the CED PPN have played and play an active role in the IUCN (WPCA, CEESP, EAGLE Italy, (IUCN Italian Committee)

The long collaboration has resulted in numerous debate occasions and in diverse international level activities, developed by the CED PPN over the years with the IUCN. Among these we can recall:

- IUCN World Parks Congress of Durban “Benefits Beyond Boundaries” (2003), CED PPN communication
- IUCN World Conservation Congress of Bangkok “People and Nature, Only One World” (2004), presentation of the Motion CGR3.RES050 (Resolution 3.065) “A landscape/seascape approach to conservation”
- IUCN World Conservation Congress of Barcelona “A Diverse and Sustainable World” (2008), organization of the WS “Legal tools for PAs governance: categorize to renew PAs management, a procedure for assigning the IUCN categories to PAs in Europe” (CED PPN with the FEDERPARCHI); participation in the WS “The landscape dynamic mosaic-embracing diversity, equity and change”
- IUCN World Conservation Congress of Jeju (South Korea) “Nature +” (2012):
Poster “Parks and Landscapes. Policies, Planning and Management”, CED PPN Poster project, in collaboration with IUCN Italian National Committee, Ministero dell’Ambiente e della Tutela del Territorio e del Mare (MATTM), Legambiente, FEDERPARCHI, IUCN Centre for Mediterranean Cooperation
Participation as co-sponsor in the “Conservation Campus”, promoted by IUCN CENESTA (Grazia Borrini-Feyerabend), on the topic “Governance of Protected Areas” and supporter of the Resolution “Respecting, Recognising and Supporting Indigenous Peoples’ and Community Conserved Territories and Areas”
- Involvement of IUCN international experts and DIST researchers in the project of the research-book *Parks and Landscape. Towards an Alliance between Nature Policies and Landscape Policies* (R. Gambino, A. Peano, Eds.), coordinated by CED PPN and published by Springer (2015)
- CED PPN scientific support to the definition of useful indicators for the international process of evaluation of the PAs management effectiveness started by the IUCN in 2014 “The Green List for Protected Areas Global Standard”, research work coordinated for Italy by the IUCN Italian National Committee and presented at the 6th IUCN World Parks Congress, “Parks, People Planet: Inspiring Solutions” (2014)
- IUCN World Conservation Congress of Hawaii “Planet at the crossroads” (2016), participation as partner at the “Conservation Campus” promoted by the ICCAs Consortium (Indigenous Peoples’ and Community Conserved Areas and Territories) about the topic “Securing collective rights and responsibilities for nature (ICCAs) and livelihoods based on its sustainable use” (Grazia Borrini-Feyerabend ICCA Consortium Global Coordinator)
- IUCN World Conservation Congress “One nature, one future”, *Marseille*, Thematic Stream Session “Urban Protected Areas: Perspectives for an Alliance Between Nature And Cities”, organized by IUCN WCPA Urban Conservation Strategies Specialist Group and the CED PPN - DIST Themes: Landscape, Rights and governance <https://www.iucncongress2020.org/programme/official-programme/session-43299>
